About Games

A gravity gripping, Steampunk styled, moody-beautiful, slingshot simulating puzzle pleaser.\nG' is the first chapter in Soma Games' Arc Saga and is a gorgeously rendered take on the classic gravity golf genre of puzzle games.\nExplore the vast uncharted mystery of The Rain, a solar-system spanning shock wave of gas and dust from far, far away. In your role as sounding officer onboard Ptolemy Station you configure and drive sub-etheric reconnaissance rockets into increasingly challenging fields where Iceteroids, theophosphorus and quicksand clouds make your mission much more work.
